7. Members of the AB can leave the AB at any time.

Article 7. General Assembly

1. The General Assembly (GA) is a meeting between the current board and the members of the association. The term GA is also used to refer to the group of all present individuals who are eligible to vote. Following Article 12.1 of the Statutes, only members are eligible to vote.
2. The purpose of a GA is to facilitate discussion between the board and the members of the association.
3. The GA makes decisions by voting, as described in Article 12 of the Statutes.
4. The current board prepares an agenda for each GA. The members of the GA are free to propose amendments to this agenda.
5. The secretary takes minutes of the matters discussed during the GA. If the secretary is absent, another board member, typically the vice secretary, will take minutes in their place. These minutes are presented for approval during the next GA.
6. There are at least three GAs in every year: the Election GA, the Switch GA, and the Interim GA.
 - a. The Election GA typically takes place at least one month before the end of each academic year. During this GA, a board is elected for the upcoming year, as described in Article 8.
 - b. The Switch GA takes place every year in September. During this GA, the sitting board steps down, and the new board is appointed for the duration of one year, as described in Article 9.
 - c. The Interim GA typically takes place halfway through the academic year, to update the members of the association on current developments and the association's finances.
7. The sitting board is free to organise additional GAs at their own discretion.

1. During the Election GA, the General Assembly elects a new board. When a new board is elected, they become the *ft. (futuro tempore)* board.

2. At the Election GA, the sitting board presents one candidate board for the position of f.t. board. Other members of the association are free to form their own candidate board consisting of at least three members, also known as a counterboard, and run for board.
3. After all candidate boards have been presented, a vote takes place (in accordance with the voting procedure described in Article 12 of the Statutes), in which the candidate board with the most votes is elected as f.t. board.
4. As specified in Article 12.6 of the Statutes, the GA may request a revote.
5. If no candidate board has been formed by the sitting board one month before the end of the academic year, it is possible to hold the Election GA at the beginning of the new academic year and possibly combine it with the Switch GA.
6. If a board wishes to continue in the same composition for another year, or if this is necessary in the absence of a candidate board, the approval of the Election GA is also required.

Article 9. Switch GA and appointment of candidate board

1. The purpose of the Switch GA, which takes place in September, is twofold:
 - a. The sitting board steps down and becomes the o.t.-board (*olim tempore*);
 - b. The f.t. board is appointed as the new sitting board (h.t.-board, *hoc tempore*).
2. Additionally, before the boards are switched, the chairperson presents a yearly report, and the treasurer presents a financial report of the previous year.
3. In order to make sure that the funds of the association are never left unmanned, the board switch follows a specific procedure, which is as follows:
 - a. The chairperson of the current board first hammers out any commissioners, followed by the secretary.

 - c. The old treasurer hammers in the new treasurer.

Article 10. Auditing committee

1. The auditing committee is an independent organ that is tasked with auditing the accounts of the association and the transactions made.
2. The auditing committee consists of two members or friends of the association who are not part of the sitting board. It is commonplace to appoint the treasurers of the two previous boards as members of the auditing committee considering their recent experience with the finances of the association.
3. The auditing committee reports their findings from the audit during the Switch GA in a way that they see fit after the financial report has been presented.
4. The auditing committee has the freedom to carry out more than one audit and report their findings during the next GA. In addition, a member or friend of the association can call upon the auditing committee with questions or concerns about the finances of the association.
5. The board is obliged to provide all information necessary for this committee's audit. This entails showing the auditing committee the account and assets of the association and giving access to the financial bookkeeping.
6. If the auditing committee finds the accountancy to be unsound, the sitting board will not be discharged. The duties of the board will be taken over by the f.t. board and/or the Advisory Board.
7. The auditing committee is appointed during the Switch GA, after the switch of boards, for the duration of one fiscal year.

Article 11. Other committees

2. The board has the responsibility to ensure that these other committees function properly. It is required to have at least one board member in every committee.

3. It is not required for other committees to be formally appointed at a GA, unlike the auditing committee.
4. Minutes and parts of minutes of committee meetings are not meant to be made public, nor are they meant to be shared with non-members.

Article 12. TWubs

1. Members of T.W.I.S.T. may found a club (TWub) of members who have a shared interest. This interest does not have to be related to linguistics.
2. Every member of a TWub must be a member or friend of T.W.I.S.T..
3. A TWub is an independent organ within T.W.I.S.T., so the board does not take responsibility for the TWubs. The association does, however, list the TWubs on its website and may fund a TWub under certain conditions, as specified in Article 12.7. TWubs may also promote themselves through the social media of the association.
4. A T.W.I.S.T. member that wishes to found a TWub can make this known by sending an email to the board in which they explain the details of their proposal. This proposal must meet the following criteria:
 - a. A clear and concrete goal that the founder(s) of the TWub want(s) to reach
 - b. The TWub has at least one chairperson (and at most two)
 - c. The TWub has at least five interested members (including the chairperson(s))

The board aims to accept or reject the TWub proposal within ten business days. If it is accepted, the TWub will be announced at the next General Assembly.

5. A TWub is expected to have at least one meeting every six months. If this minimum is not met, the board retains the right to disband the TWub, after consultation with its chairperson(s) during the next General Assembly.
6. A TWub is expected to always have at least one chairperson and five members, including the chairperson(s). If this minimum is not met, the board retains the right to disband the TWub, after consultation with its chairperson(s) during the next General Assembly.

7. To receive financial support from the association, the chairperson(s) of a TWub must formally request it from the treasurer of the association by means of an email. This request must specify:
 - a. The amount of money the TWub wants to receive;
 - b. The concrete purpose of the money. The money must be beneficial to the rest of the association in some way.

The board retains the right to refuse a request for funding. If a request is accepted, the requested sum of money can be declared to the treasurer afterwards using the declaration form.
